

Always Give Your Best

6 Simple Rules

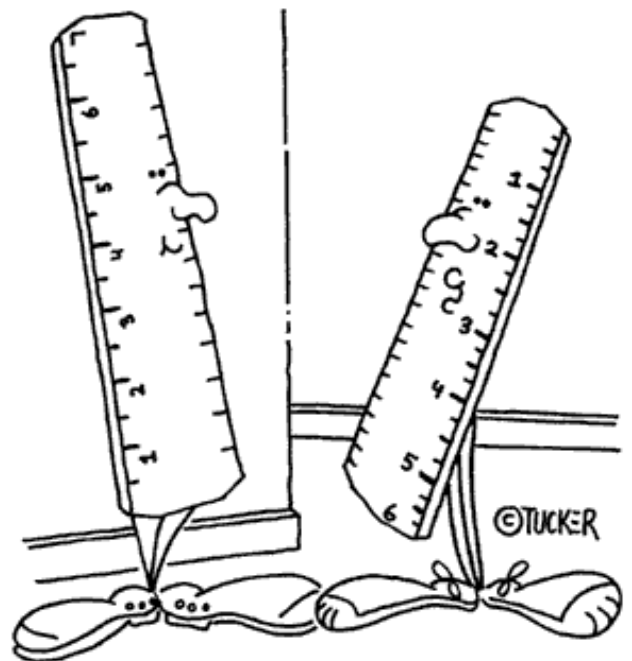

- Be polite and respectful to everyone.
- Be on time to class and line up.
- One person speaks at a time — teacher or student.
- Leave your work area the way you found it.
- Do not eat or drink in class (except water bottles).
- Do not touch the water or gas taps.
- Have fun and learn new things!

Cut the rules up!

Now glue them into your book in the order which is most important to you.

Choose 3 of these rules

Now write a single sentence for each one which describes what would happen if we did not have that rule.

"You look like you've grown an inch."
