

Our Bodies Defence System

In this lesson you will do **two tasks**.

Write your answers in a Word document, save it, print it and paste it in your book.

Task 1: Find the difference between **illness and **disease****

1. **Research** on the internet to **find the difference** between illness and disease.
2. **Write** the difference between illness and disease in **your own words**.
3. **Write** down the internet address of the websites you used and how **reliable & accurate** you think the information is.

Task 2: Make a list of 4 **infectious diseases and 4 **non- infectious** diseases**

1. **Research** the internet to find 4 **infectious** diseases and 4 **non-infectious** diseases.
2. For **each** disease write its **name** and one sentence outlining its major **symptoms**.
