

Year 9 IT Podcast Assessment Task

Non-completion of this task by the due date will result in a **N-award warning** being issued

Task Instructions:

1. With your allocated group you are to **research a famous** and write a script for an interview between you and the famous person your group has chosen.
2. Your interview is to have **15 questions** that you will ask your chosen person. At least half of the questions need to be related to IT. For example, how do you feel about people downloading your songs from the internet?

Scripts will be collected on Friday 28th March.

3. Your group will be allocated a time slot during week 10 to record your interview, everyone must participate in the recording. It does not matter if you make a mistake because you will be editing it later. **You will need to bring your own headphones during week 10.**
4. Your group will then edit the recording using Audacity to remove mistakes, fix volume, add music and sound effects, etc. The recording will then be **exported as an MP3** and collected by the teacher.

Final edit will be collected at the end of week 1 term 2.

Your task will be marked on the following criteria:

- Ability to work as part of a team (5)
- Appropriate choice of famous person (2)
- 15 appropriate interview questions and responses (15)
- Quality of recording (10)
- Quality of editing using Audacity (5)
